

# NETWORK MEETING HHT ROADMAP ELECTRONICS

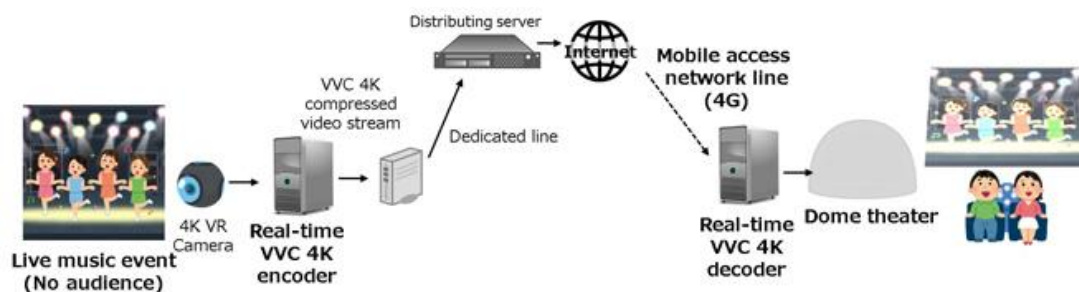

Alexandre Gabriel – Program Officer

# Short Introduction

## Background in telecommunication

- Video coding & streaming
- Edge computing, 5G and networks

**NOKIA**

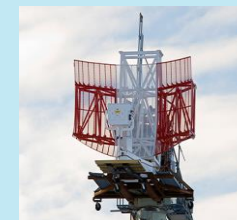

**TNO** innovation  
for life

## Project management around

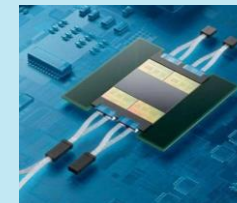

Electronics & Semicon

Antennas & Radar

Industrial Processes

Photonics and optical  
technologies

# Open Technology Programme 2024

Open to technical-scientific research aimed at possible implementation

## Context

- Open to projects in **all disciplines of applied technical-scientific research**, absence of disciplinary boundaries
- **Aim: bringing about knowledge transfer between technical sciences and users**
- Researchers form consortia with companies and other organisations
- User committee for every project
- Proposals are assessed for scientific quality (50%) as well as impact (50%)

## Budget

- Total budget expected ~ 26 M€
- Funding **up to 900 K€ per project**
- Co-funding by users (in cash or in kind): **25% of the sum in excess of 650 K€**

## Timetable

- Continuous application from 15 January to 13 December 2024 (*as long as the grant ceiling has not been reached*)
- Make sure to use the latest documents
  - Please note: applications with co-funding should be submitted with the **declaration co-funding**. Support letters are no longer accepted.

# Upcoming calls of interest

## **NGF: Future-proof hightech equipment**

Objective of stimulating the development of a new generation of hightech equipment

Budget: € 10.623.314

Closing date for statement of intent: 7 May 2024

Closing date full application: 4 June 2024

Link: <https://www.nwo.nl/en/calls/ngf-future-proof-hightech-equipment>

## **HTSM: High Tech Systems and Materials**

Budget: TBD

Expected opening date: 2nd half of 2024

# NWO ICT.OPEN

- NWO ICT.OPEN brings scientists from all ICT research disciplines and industries together to: **learn from each other, share ideas, and network.**
- When: 10 & 11 April 2024
- Where: Beatrix Theater Jaarbeurs, Utrecht.
- More information about the programme, speakers and tracks: [www.ictopen.nl](http://www.ictopen.nl)
- Questions: [ictopen@nwo.nl](mailto:ictopen@nwo.nl)
